**PLAINTIFFS, ANNA BURNS, EVELYN BRICKNER, FLOYD CARRIER,
GORDON BENJAMIN, JOHN MELLOR-CRUMLEY, KEN GANDY, KOBY
OZIAS AND P. DRAPER HERMAN'S OBJECTIONS AND RESPONSES TO
DEFENDANTS' FIRST REQUEST FOR PRODUCTION OF DOCUMENTS**

Plaintiffs, Anna Burns, Evelyn Brickner, Floyd Carrier, Grodon Benjamin, John Mellor-Crummley, Ken Gandy, Koby Ozias and P. Draper Herman ("Plaintiffs"), by and through undersigned counsel, hereby object and responds to the First Request for Production of Documents of Defendants the State of Texas, Rick Perry, Nandita Berry, and Steve McCraw ("Defendants"), dated March 11, 2014, as follows.

GENERAL OBJECTIONS

Plaintiffs, Anna Burns, Evelyn Brickner, Floyd Carrier, Gordon Benjamin, John Mellor-Crummley, Ken Gandy, Koby Ozias and P. Draper Herman (hereinafter "Plaintiffs") would show that the individual sets of Defendants' second set of requests for production for these eight

Plaintiffs were served by email on or about March 11th, 2014, and appear to be identical in that each Plaintiff was sent a set of 111 identical requests for production with identical definitions included. Plaintiffs hereby serve their objections and responses in this one joint document in which all objections are asserted on behalf of all 8 served Plaintiffs.

Plaintiffs' General Objections, as set forth herein, are continuing objections and responses to each specific request for production that follows, whether or not the General Objections are referenced in response the specific request for production. Plaintiffs' objections and responses herein shall not waive or prejudice any further objections Plaintiffs may later assert. The failure to list a particular general objection in a given response should not be construed as a waiver of that objection.

1. Plaintiffs object to each of Defendants' requests for production to the extent that they seek documents protected from disclosure by any privilege or immunity, including attorney-client privilege, attorney work product protection, common interest privilege, or any other privilege, immunity, principle, doctrine, or rule of confidentiality. If any protected information or material is disclosed, such disclosure is not intentional and shall not be deemed a waiver of any privilege or protection. The Clawback Order entered in this matter on November 4, 2013 governs any such disclosure. *See* Agreement Concerning Production Format, ECF No. 61-6. Plaintiffs specifically object to any request that seeks communications between counsel for Plaintiffs and/or Plaintiff-Intervenors in this case, or the prior Section 5 case, on the basis of common interest privilege, irrelevance and overly broad and harassing. At this time, Plaintiffs provide this privilege log concerning counsel communications: From January 1, 2012 through the present, there have been thousands of emails between and among counsel for the plaintiffs in this action, all of which pertained to discovery issues, drafts of pleadings and briefs, pretrial and

trial strategy. Because of the number of these communications, the clear privileged nature of each of these communications, and the clear irrelevance of these communications, it would be unduly burdensome to individually log these communications.

2. Plaintiffs object to each definition, instruction, and request for production to the extent that it seeks to impose obligations on Plaintiffs in excess of those set forth in the Federal Rules of Civil Procedure and the Local Rules of the U.S. District Court for the Southern District of Texas.

3. To the extent a request for production requires the disclosure of protected material, including but not limited to confidential information or any information implicating privacy interests, Plaintiffs' response shall be subject to the Consent Protective Order entered in this matter on December 5, 2013, ECF No. 105, or any subsequent revisions to the Protective Order agreed upon by the parties. Plaintiffs further object to the extent a request for production seeks confidential or personal information of a third party, the disclosure of which is not permitted by reason of privacy laws or other binding legal obligation.

4. Plaintiffs object to each of Defendants' requests for production to the extent that it seeks documents that are neither relevant to the issues in this dispute nor reasonably calculated to lead to the discovery of admissible evidence. To the extent Plaintiffs provides documents in response to these requests for production, Plaintiffs do not concede that the documents are admissible in evidence or relevant to this action.

5. Plaintiffs object to each request that is not limited to any reasonable time period as vague, ambiguous, overly broad, and unduly burdensome. Plaintiffs' responses are with respect to the time period from January 1, 2012 to the present, unless otherwise indicated.

6. Plaintiffs object to each of Defendants' requests for production insofar as it seeks documents that are unreasonably cumulative or duplicative, already in the possession of Defendants, primarily or exclusively within Defendants' knowledge or control, or obtainable from some other source that is less burdensome or less expensive. Plaintiffs object to Defendants' requests for production to the extent they seek documents beyond those in the possession, custody, or control of Plaintiffs.

7. Plaintiffs object to each of Defendants' requests for production to the extent that it is unclear, ambiguous, overly broad, or unduly burdensome.

8. Plaintiffs object to each of Defendants' requests for production requesting "all," "each," or "any" of the referenced documents on grounds that such requests are overly broad and unduly burdensome, seek irrelevant information, and seek to impose obligations beyond those imposed by law. Plaintiffs further object to the extent Defendants' requests for production request voluminous information that Plaintiffs can locate and copy only at tremendous expense of money, or that will create a significant delay that would be disproportionate to the probative value or relevance of the material sought. Plaintiffs will construe the terms of all requests for production to request that they use reasonable diligence to locate responsive non-privileged documents, based on examination of those sources that may reasonably be expected to yield such documents.

9. To the extent Plaintiffs respond to these requests for production, they do not waive Plaintiffs' foregoing objections nor do they concede that any documents requested or provided in response thereto are relevant to any claim or defense of a party in the pending action or admissible in the U.S. District Court for the Southern District of Texas. Plaintiffs expressly reserve:

- a. the right to object, on grounds of competency, relevance, materiality, privilege, or any other applicable ground, to the use of responses provided to this request for production or the subject matter thereof, in any subsequent proceeding in, or the hearing of, this or any other action;
- b. the right to object on any ground to other document requests, interrogatories, or other discovery proceedings involving or relating to the subject matter of the request for production; and
- c. the right to supplement their responses should further investigation or discovery disclose additional information.

GENERAL OBJECTIONS TO DEFINITIONS

1. Plaintiffs object to the definition of the term “Electronically Stored Information” on the grounds that the definition is overly broad and unduly burdensome. Plaintiffs further object to this definition to the extent that it seeks information not in Plaintiffs’ possession, custody, or control. Plaintiffs will interpret the term “Electronically Stored Information” as synonymous in meaning and equal in scope to the usage of the term “electronically stored information” in Rule 34 of the Federal Rules of Civil Procedure.
2. Plaintiffs object to the definition of the term “document” on grounds that the definition is overly broad and unduly burdensome. Plaintiffs further object to this definition to the extent that it seeks information not in Plaintiffs’ possession, custody, or control. Plaintiffs will interpret the term “document” as synonymous in meaning and equal in scope to the usage of the term “document” in Rule 34 of the Federal Rules of Civil Procedure.
3. Plaintiffs object to the definition of “you and your” on grounds that the definition is overly broad and unduly burdensome. Plaintiffs further object to this definition to the extent

that it includes within the definition individuals who are not parties to this litigation. Plaintiffs shall interpret for purposes of these document requests “you and your” to mean Anna Burns, Evelyn Brickner, Floyd Carrier, Gordon Benjamin, John Mellor-Crummley, Ken Gandy, Koby Ozias and/or P. Draper Herman.

DOCUMENTS NOT PRODUCED

Based on the general and specific objections asserted herein, Plaintiffs will *not* produce *any* of the following documents on the basis that requests for such documents are outside the scope of the discovery permitted by Rule 26 of the Federal Rules of Civil Procedure, have marginal or no relevance, and are intended, among other things, to annoy, embarrass, oppress, or impose an undue burden or expense on Plaintiffs indicate, *see* FED. R. CIV. P. 26(c):

1. Documents relating solely to anyone other than Plaintiffs, *i.e.*, “an immediate family member, or to any individual with a direct, tangible interest in your birth certificate,” as requested in Requests Nos. 7, 8, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 26, 29, 30, 31, 32, 33, 40, 41, 45, 47, 49, 58, 59, 66, 74, 76, 78, 79, 80, 81, 82, 85, 86, 88, 89, 90, 91, 96, 106, 107, and 108.
2. Any report cards, transcripts, or “school records” from any educational institution attended by Plaintiffs, as requested in Requests Nos. 34, 35, and 36.
3. Documents that are only responsive to Request Nos. 37 and 38, that seeks “any mail” from 2005 to the present from “financial institutions” and “a federal, state, county or city government agency.”
4. Any document associated with Plaintiffs’ medical records, including immunization records, as requested in Request No. 61; or Plaintiffs’ medical insurance, as requested in Request Nos. 58, 59, and 80.

5. Documents that are only responsive to Requests No. 98 and 111, that seek “any expired or unexpired document” or a “true and complete copy of any document” ever issued to Plaintiffs by any and all U.S. government agencies, branches, or departments.
6. Any job application submitted to any employer, as requested in Request No. 104.
7. Documents that are only responsive to Requests No. 42, 43, 44, 50, 51, 84, 85, 86, 87, 89, 90, 91, 95, 96, 97, 98, 105, 106, 107, 108, 109, and 110, which seek information relating to Plaintiffs’ citizenship and immigration status.
8. Documents that are only responsive to Requests No. 75, 99, and 101, which seek information contained in or relating to Plaintiffs’ tax filings.
9. Documents that are only responsive to Requests No. 78, 79, 81, and 82, which seek information relating to Plaintiffs’ potential criminal record.
10. Documents that are only responsive to Requests No. 9, 39, 40, 41, 52, 55, 56, 57, 70, 71, 74, 76, 77, 83, 100, 102, 103, and 104 because those documents have marginal, if any, relevance in this case. When viewed in aggregate or in isolation, these requests impose an undue burden on Plaintiffs and are designed to annoy, embarrass, or oppress her as she proceeds in this litigation. To the extent that Plaintiffs’ mere possession of these requested documents has any relevance, Defendants may obtain relevant information through other, more appropriate discovery tools available under the Federal Rules of Civil Procedure.

**SPECIFIC OBJECTIONS AND RESPONSES TO DEFENDANTS’ FIRST REQUEST
FOR PRODUCTION OF DOCUMENTS**

Plaintiffs incorporate by reference their General Objections in response to each of Defendants’ requests for production. Plaintiffs also incorporate by reference their Objections to Instructions to each of Defendants’ requests for production. litigations. Plaintiffs further object to Request No. 4 to the extent that it seeks documents not in their possession, custody, or control. Plaintiffs further object to Request No. 4 to the extent that it is unreasonably cumulative and duplicative as it calls upon Plaintiffs to reproduce documents and tangible things that have been previously produced to Defendants as part of *Texas v. Holder*, No. 12-cv-128 (D.D.C.) or is cumulative and duplicative of other requests propounded on Plaintiffs as part of the instant litigation.

RESPONSE TO REQUEST NO. 6:

Plaintiffs object to Request No. 6 on grounds that it seeks information protected from disclosure by Rule 26(b)(4)(C) of the Federal Rules of Civil Procedure. Plaintiffs further object to Request No. 6 on grounds that requests for material provided to "any potential" expert renders the request overly broad.

Based on the foregoing general and specific objections, Plaintiffs will not produce any documents responsive to Request No. 6 because the request is outside the scope of the discovery permitted by Rule 26 of the Federal Rules of Civil Procedure. Holder*, No. 12-cv-128 (D.D.C.) or is cumulative and duplicative of other requests propounded on Plaintiffs as part of the instant litigation.

REQUEST NO. 8:

Please produce a true and complete copy of any expired Texas Driver's Licenses issued to you, an immediate family member, or to any individual with a direct, tangible interest in your birth certificate, by the Texas Department of Public Safety or any other agency or department in

the state of Texas, previously or now existing, or any of their successor agencies, branches, or departments.

RESPONSE TO REQUEST NO. 8:

Plaintiffs object to Request No. 8 on grounds that it is overly broad and seeks documents without any reasonable temporal limitation. Plaintiffs further object to Request No. 8 on grounds that it seeks documents and tangible items not in Plaintiffs' possession, custody, or control. Plaintiffs further object to Request No. 8 to the extent that it seeks documents or tangible items not relevant to this litigation and not reasonably calculated to lead to the discovery of admissible evidence, including, but not limited to, documents relating to Plaintiffs' family members, legal guardians, or other individuals not party to the instant litigation. Plaintiffs further object to Request No. 9 to the extent that it seeks documents that are publicly available or obtainable from some other source that is less burdensome or less expensive. Plaintiffs further object to Request No. 9 to the extent that it seeks documents not in their possession, custody, or control. Plaintiffs further object to Request No. 9 to the extent that it seeks documents or tangible items not relevant to this litigation and not reasonably calculated to lead to the discovery of admissible evidence. Holder*, No. 12-cv-128 (D.D.C.) or is cumulative and duplicative of other requests propounded on Plaintiffs as part of the instant litigation.

Based on the foregoing general and specific objections, Plaintiffs will not produce any documents responsive to Request No. 9 because the request is outside the scope of the discovery permitted by Rule 26 of the Federal Rules of Civil Procedure, has marginal or no relevance, and is intended, among other things, to annoy, embarrass, oppress, or impose an undue burden or expense on Plaintiffs. *See* FED. R. CIV. P. 26(c).

RESPONSE TO REQUEST NO. 10:

Plaintiffs object to Request No. 10 on grounds that it is overly broad and seeks documents without any reasonable temporal limitation. Plaintiffs further object to Request No. 10 on grounds that it is unduly burdensome. Plaintiffs further object to Request No. 10 on grounds that the term “temporary receipts” is vague and ambiguous. Plaintiffs further object to Request No. 10 to the extent that it is unreasonably cumulative and duplicative as it calls upon Plaintiffs to reproduce documents and tangible things that have been previously produced to Defendants as part of *Texas v. Holder*, No. 12-cv-128 (D.D.C.) or is cumulative and duplicative of other requests propounded on Plaintiffs as part of the instant litigation.

Plaintiffs further object to Request No. 13 to the extent that it is unreasonably cumulative and duplicative as it calls upon Plaintiffs to reproduce documents and tangible things that have been previously produced to Defendants as part of *Texas v.
